Q1: Supply copy of recommendations sent to Chandigarh administration, Municipal Corporation Chandigarh, Haryana Govt and Punjab Govt regarding re-carpeting and strengthening of roads in municipal limits and their entire states in the last two years.

Answer: The assignment of "Investigation of Existing pavement for feasibility assessment of recycling and stabilization techniques for rehabilitation of Madhya Marg, Chandigarh" was sponsored by UTA, Chandigarh and a report based on the above study was to be provided only to the agency (UTA, Chandigarh). Therefore the technical report of above project was sent for consumption of only UTA, so information sought under this RTI could not be shared as this will be against the violation of IPR understanding/arrangement as RTI act 2005, page 7. Hence, required information may be taken from UTA only.

Q2: Supply copy of latest audit report of CRR along with annotated notes with a copy of pending audit para as on date.

Answer: CRR audit report 2014-16 is enclosed.

Sub: Appeal Against the Unsatisfactory and Inappropriate Information Under 'RTI Act'

Earlier on May 1st, 2019, an RTI approach was made to the concerned requesting to provide me the relevant instructions/orders from CSIR, if any, to follow the implementation of Rs. 425-700 and also the relevant instructions/orders from CSIR, if any, to follow the abolition of the shadow period in case of Sh. Ramesh Chander and Sh. M.P.S.Rana regarding the implementation of pay scales and assessment promotions thereafter. A response with certain Annexures has been provided to me, dated 22nd May, 2019, which do not provide the information sought in anyway and also my specific requisites are renounced in the reply. The specific informations required are:

- 1) Very clear and specific instructions were provided by CSIR for considering placement of Senior Draftsmen in the scale of Rs. 425-700 as replacement of Rs.330-560/Rs.380-640 and allow for all consequential benefits for assessment promotion. However, these have been differently followed in CRRRI in some cases while considering the 'omission grade' and 'shadow period'(refer O.M.No. 17(70)/2002-PL(Pl.II) dated 21.10.2005).

I reiterate to know under which provision the assessment promotions and pay fixations were made ? Please provide relevant satisfactory information.

- 2) Further, counting of shadow post services of some employees(as per letter of CRRRI.No. 17(70)/2002-PL dated 01.12.2011 communicated to CSIR) had any O.M or order to follow ?

Please provide the relevant order document

Please provide the requested information, as early as possible and also give a considerate hearing from my side on a suitable date.

Ref No. CRRIN/R/2019/50013

Dear Sir,

Thank you for your response to my previous mail, but in my opinion response is not appropriate and it is incomplete.

1) I simply requested about the number of scientist presently on study leave from your institute with their name and institute name where they are on study leave. I think it is very specific query and as a citizen and income tax payer my right to know where my money is invested. An employee on study leave takes salary and it is an investment by the institute of tax payer money. I don't understand why I was denied with this information. According to the CPIO officer I should personally come to the office to know the information then what is the use of this portal, we should recommend the government to close it.

As a first appeal authority I request you to please kindly provide me this information.

a) about the number of scientist presently on study leave from your institute with their name and institute name where they are on study leave

2) As per my second request to provide the information, whether they are receiving or received full salary from the institute of half salary for the duration of their study leave reply was Not Applicable. In my opinion this reply is also not appropriate and I think I have the right to know if someone is on study leave, they are receiving full or half salary. As salary is paid from the tax money of citizens of India, as a citizen I think I deserve this information.

So as a 1st appeal authority I request you to please provide me with information about

b) whether they are receiving or received full salary from the institute of half salary for the duration of their study leave.

Thanking you

SUB: **First Appeal under Section 19(1) of Right to Information Act - 2005. - reg.**
REF: **My RTI application dated 31st July 2019 - reg.**

Madam,

The undersigned had submitted a RTI application dated 31st July 2019, along with stipulated RTI application fee, for want of detailed information on the various points, item-wise, under RTI Act - 2005 (copy enclosed for ready reference). In this regard, undersigned wishes to submit the following points:

1) CPIO/ CRR office has failed to give any response or to furnish information without any reasonable cause, to undersigned's request to the stipulated time limits/ schedule for passing the various types of bills, within the time limit specified under **sub-section (1) of Section 7** of this Act; which should be available as "**Suo-motu**" information under **clause (b) of sub-section (1) of Section 4(2)**.

2) Regarding various bills in respect of undersigned:

I. Regarding Imprest advance of Rs. 25,000/- taken for "Smart Mobility: TrafficInfraTech Expo" from 13-15 Sept 2017 held at Hyderabad, **submitted on 06/12/2017** for adjustment; CPIO has stated that imprest adjustment is neither pending in E-II section nor OB is standing in F&A section. **If it is true and if imprest adjustment bills are not lost in E-II section, undersigned may be given the date of removing the OB from F&A ledger and may be allowed to physically inspect the cleared imprest adjustment bills. It would be worthy to highlight that CPIO/ End Custodian is liable to be imposed a penalty for knowingly given incorrect, incomplete or misleading information or destroyed information, which is subject of the request, under Section 20(2) of RTI Act-2005.**

II. For Medical bill of Rs. 2,150/- **submitted on 30/09/2016** for reimbursement, though CPIO has mentioned the Cheque no. 856319 dated 10.3.2017, but **NO such amount has been credited to U/S's SB account** during the period;

III. Regarding Medical bill of Rs. 4,425/- **submitted on 09/01/2017** for reimbursement, as stated, though an amount of Rs. 8152/- has been credited, but balance amount of Rs. 3727/- does not match with any of my wife's medical bill reimbursement claim (as stated), hence, **the information given by the CPIO is incomplete and misleading;**

IV. Medical bill of Rs. 2,197/- **submitted on 24/10/2017** for reimbursement, which was **misplaced by the E-II section**, was **resubmitted (complete photocopy set) on 19/8/2019** (as was requested by the CPIO on 16/8/19), but **NO such amount has been credited to U/S's SB account till date**. Further, the name and designation of the officer responsible for misplacing the bill may be given, as asked in Item 4(C) and 5.

3) CPIO/ CRR office has not given any **documentary proof of exact transaction date** (on which the said amounts have been credited to the undersigned's SB account).

(a) CPIO has not given any reason that why the above bills (as mentioned in Point No.2 (I, II & IV)) have not been passed so far, and thereby giving incorrect, incomplete and misleading information with malafide intention;

(b) Medical bill of Rs. 2,197/- **submitted on 24/10/2017** for reimbursement, which was **misplaced by the E-II section**, was **communicated only on 16/8/2019** evening only asking for duplicate photocopy set, but no efforts were made to search the records, which proves that CPIO/ End Custodian has malafidely denied the request for information or knowingly given incorrect, incomplete and misleading information;

(c) CPIO has not given any reply that why bills are still pending or how and why some of them have been misplaced/ lost. CPIO has not given the name and designation of the officer
